

SPECIAL CONDITIONS
Crisis Intervention Response for the Indiana Government Center Complex
Health and Hospital Corporation of Marion County, Inc. (Midtown)
SFY 2011 (July 1, 2010 – June 30, 2011)

1. Contractor will provide services to any individual presenting himself or herself at the Indiana Government Centers, North or South, or the State Capitol Building, during regular State business hours and who exhibits behaviors indicating a need for a mental health intervention or services.
2. Services will be accessed through the Contractor's Assessment Team.
3. The Assessment Team will dispatch a therapist on site to assess an individual in need of an appropriate intervention or services.
4. The response time for the intervention or services will be no more than sixty (60) minutes from the time of the initial call to the Contractor's Assessment Team. Contractor is required to contact the Division of Mental Health and Addiction (DMHA) prior to updates or revisions affecting the response time.
5. Contractor will meet with the representatives of the DMHA and other affected agencies to review the protocol for accessing these services.
6. Calls to the Contractor's Assessment Team will be channeled through the DMHA for all agencies.
7. Contractor will submit a report to the DMHA for each incident in which the Assessment Team dispatches a therapist to the Indiana Government Centers, North or South, or the State Capitol Building. The report shall include a summary of the incident response and the case status.
8. **Contractor will bill on a monthly basis in the amount of nine hundred dollars (\$900) for each incident in which the Assessment Team dispatches a therapist on site to assess an individual in need. The amount billed for these services shall not exceed four thousand five hundred dollars (\$4,500) for state fiscal year 2011.**
9. Contractor will submit vouchers on forms provided by the DMHA.
